

Code.

(4) "Meeting" means:

(A) a deliberation between a quorum of a governmental body, or between a quorum of a governmental body and another person, during which public business or public policy over which the governmental body has supervision or control is discussed or considered or during which the governmental body takes formal action; or

(B) except as otherwise provided by this subdivision, a gathering:

(i) that is conducted by the governmental body or for which the governmental body is responsible;

(ii) at which a quorum of members of the governmental body is present;

(iii) that has been called by the governmental body; and

(iv) at which the members receive information from, give information to, ask questions of, or receive questions from any third person, including an employee of the governmental body, about the public business or public policy over which the governmental body has supervision or control.

The term does not include the gathering of a quorum of a governmental body at a social function unrelated to the public business that is conducted by the body, or the attendance by a quorum of a governmental body at a regional, state, or national convention or workshop, ceremonial event, or press conference, if formal action is not taken and any discussion of public business is incidental to the social function, convention, workshop, ceremonial event, or press conference.

The term includes a session of a governmental body.

(5) "Open" means open to the public.

(6) "Quorum" means a majority of a governmental body, unless defined differently by applicable law or rule or the charter of the governmental body.

(7) "Recording" means a tangible medium on which audio or a combination of audio and video is recorded, including a disc, tape, wire, film, electronic storage drive, or other medium now existing or later developed.

(8) "Videoconference call" means a communication conducted between two or more persons in which one or more of the participants communicate with the other participants through duplex audio and video signals transmitted over a telephone network, a data network, or the Internet.
