Case. No.: 2015 CA 002442 B

**Plaintiff's Motion for Rule 16(i) Status  
Conference**

**Draft -- October 24, 2015**

Plaintiff, Montgomery Blair Sibley, pursuant to D.C. Superior Court Rule 16(i), moves this Court for an order setting a Status Conference in order to (i) expediting the disposition of the action, (ii) establishing continuing control so that the case will not be protracted because of lack of management, (iii) discouraging wasteful pretrial activities, and (iv) addressing any other matters appropriate in the circumstances of the case, and for grounds in support thereof states:

1. This matter was filed in this Court on April 8, 2015. It was removed to Federal Court on May 18, 2015 and remanded back to this Court on October 14, 2015. As such, the natural progression of this case has been improvidently delayed for over six (6) months. Moreover, this Court's Initial Order has been mooted by the passage of time. Last, significant legal and discovery issues loom which the fair administration of justice require a Status Conference be set in order to ensure a speedy disposition of these matters.

WHEREFORE, Plaintiff respectfully requests that this Court expeditiously set a status conference so these matters may be addressed.
